

# EL2 CLASSROOM NEWS

It has been a busy start to the Year in EL2 with the Pre-Primaries getting used to being at school full-time. We would like to share some of our favourite things.

Here we are doing our maths fitness activity. We jog on the grass and count. Then we do funny shapes. Ms Chapman did a "Photo Bomb"!

When it was our "T-Day" we had a 'Teddies' Tea Party'. We brought our teddies to school. Aiden's teddy had a grumpy face!

Being the 'Paths Person of the day' is the best! You get to do special jobs and sit on a beautiful gold chair. Today Nathan got to hold Geraldine. The Paths Person is lucky.

We all like working with the iPads.

Today we played 'Geoboards' on the iPads and made rectangles.

We like playing with the playdough. One day we made circle cakes.

Each day we make our own reading books and are very clever at reading them. Look at all of Natalie's books!

Playing in the 'Home Corner' is fun. Our favourite games are Superheroes, families, cats and dogs.

Lots of kids have filled up a whole page in their Home Reading Signer. They got stickers for 25 nights and a Reading token. They feel very proud.

We always like playing outside with our friends. Sometimes we are on the climbing frames and there are lots of good toys to play with.

One day it was very rainy and we collected lots of snails and put them on the path. They were hiding in the plants.

In 'P' week we made Pink and Purple Penguins and pirate masks. We liked the Pandas we made.

Mrs Kleinhanss has a Magic Bag. We get excited when we see it. That pretend big spider always comes out.

In class we have been doing On-Entry testing for three weeks and we are exhausted!! Don't our teachers already know that we are geniuses??

EL2 Teachers: Wendy Henderson and Tracey Kleinhanss
