## **Term 4 Goals**

**This term we have created our term four Emoji goals! Students thought hard on what they wanted to achieve this term, how they would achieve their goal and how they would know if they have achieved it.**

**Some of the goals were:**

- **Attend the Rewards Excursion**
- **Make more friends**
- **Listen to teachers and focus on their learning**
- **Receive high marks and good comments in their reports**
- **Do their homework**

**After students completed their term four goal they chose their Emoji to decorate with tissue.**

## **Reflections**

**At the end of each term students reflect on their goal to see if they met their goal and how the term went for them. See some of the term 3 reflections below.**

Term Four Goals
