

Room 2 Class News

Term 3 was a busy term and here are some of the highlights!

In Week 2 we celebrated 100 days of School. Rooms 2 and 3 joined together to participate in fun maths activities related to the number 100.

Week 4 was our assembly and we were very busy in Weeks 1 -3 rehearsing our play about the Three Little Pigs.

Week 6 was a cultural week with activities for Book Week, Science Week and NAIDOC Day. On Monday the class went to the bush with Sharon and took notes about what plants and animals they could see.

Tuesday was our Book Parade and most children dressed up and took part. We also walked to the Forrestfield library to listen to an author, Samantha Hughes, explain to the children how she illustrates for children's' books.

Wednesday was our SciTech incursion and children were biologists.

Thursday we celebrated indigenous traditions including a delicious kangaroo and beef burger for morning tea. After morning tea we played games which were based on traditional indigenous sports.

This term in Week 2 Room 2 had a hockey incursion during Physical Education. All children participated well and really enjoyed the experience.

This term we have also weeded and planted some vegetable seedlings in our garden.
